CAUSE: because... "Every human person—no matter how vulnerable or helpless, no matter how young or how old, no matter how healthy, handicapped or sick, no matter how useful or productive for society—is a being of inestimable worth created in the image and likeness of God. This is the dignity of America, the reason for her survival — yes the ultimate test of her greatness: *to respect every human person, especially the weakest and defenseless ones, those as yet unborn.*"

- Pope John Paul II
